It's a tad breezy this morning-only about 40mph tho!
All lessons cancelled for today, bus closed and the kettle is on up at the shop.
God must have been on holidays for most of July. Obviously not here tho. Can we please change whoever he left in charge?

Blackfield Surf School-Achill Island Looks like a bit of a mixed bag at the moment-it doesn't have heatwave written all over it though!

The epic summer of 2015 continues. Surf camp is postponed until 11.45 to give the wind a chance to drop.

See you then — 😊 feeling optimistic at 📍 Keel Beach , Achill Island.
